

**THE GREENS
ARE
GATHERING**

26-31 JULY 1983

**LAMBERTS HILL FARM, PILTON
SHEPTON MALLET, SOMERSET**

ARE YOU GREEN?

We believe that:

- food and resources need to be shared amongst all the Earth's people
- we need to work together to evolve a just basis for a lasting peace
- the Earth is our sacred trust and needs our love and care
- the animal kingdom with whom we share the Earth, should be protected
- decision-making should be shared by both men and women at all levels
- work and play are a vital part of our creative self-expression.

For 6 days from 26th-31st July, Greens will again be gathering, on a beautiful 20 acre site overlooking Glastonbury Tor, to share ideas and dreams, to plan and celebrate a new way of living. The Gathering will bring together those involved in radical, alternative and Green activities - ecologists, feminists, anti-nuclear activists, libertarians, and many others working for a freer, safer and more just society.

THEMES

There will be 8 major themes:

Non-violence, feminism, community action, alternative technology, ecology, land/economics and human rights.

Each theme will run throughout the Gathering with workshops, exhibitions and displays.

ENTERTAINMENT

The Gathering is a holiday too. Come and enjoy theatre, acoustic music and sunshine....We hope to have a range of minority group performers as well as clowns, jugglers, drummers, dancers, mime artists and folk musicians. Most important, the emphasis is on participation, so bring your own instruments, theatrical costumes etc. There will be no electric music, mainly to encourage people to make their own, but also to make the Gathering as much a holiday from 'normal' living as possible. Please leave your radios and generators behind and help to make this a 'gathering' and not a 'festival'!

CHILD CENTRED

The heart of the Gathering will be a special area for children. There are plans for a creche, a non-alcoholic bar run by children for children, face painting, inflatables and an 'alternative skool'. All workshop speakers and entertainers are being asked to make special plans for children.

TICKETS

On the gate - £10 for 6 days; £5 for the weekend.

In advance - a limited number of advance tickets for the 6 days are available at £7.50 from Dean Holden, 5 Tor Park Road, Paignton, Devon. Offer open until 30th June.

Stall prices - contact ticket office (address above) for details.

OTHER GREEN GATHERINGS

Are being planned throughout the country - Cumbria, North Devon, Dyfed, Northamptonshire, Norfolk, London etc. Send a stamped addressed envelope to the ticket office for details.
