

National Executive Committee Members 1974/75

The following are the full names and addresses with telephone numbers of the members of the National Executive Committee appointed at the National Conference in June 1974. The address which appears first is that which the members of the N.E.C would prefer to be quoted, if necessary, to the Press and the description of occupation is that which the member wishes to be used. The name by which the person wishes to be known to the Press is underlined.
